

School Social Work Research Participants Needed

The goal of this study is to utilize the experiences of PA school social workers, who have worked with a student questioning their gender identity, to examine and potentially mediate Micro-, Meso-, and Macro level barriers to services and interventions.

Participants will be asked to participate in:

- ▶ 45-60 minute semi-structured interview
- ▶ Optional 45-60 minute focus group with 6-8 other school social workers

Location: GoToMeeting virtual platform

Participation is voluntary and confidentiality will be ensured.

Master Level
School Social
Workers Needed!

Have you ever worked with a student who was questioning their gender identity in a school setting?

If yes, this may be the study for you!

Must be in good standing with social work licensing board
